We understand that your Roller Transport Processor  
[REDACTED] has been declared surplus to your needs.

STATINTL

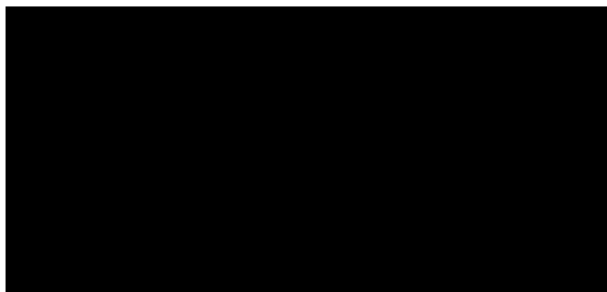

We believe that we can use the processor and, therefore,  
request that it be transferred to this Agency. We will  
be glad to pick up the machine from your loading dock  
but we will need some advance notice so we can arrange  
for a truck to transport it to our laboratory.

STATINTL

When you have a definite date, give either [REDACTED]  
or myself a call. John's number is 111-7681 and mine  
is 111-5993.

Thank you very much for your cooperation and help.
